**CHAIRKAP... WE'VE GOT YOU COVERED!**

Use on airplanes, trains, buses, cars, and all public places as we try to make the world a safer place one chair at a time.

Easy to use, fits most chairs.

**STEP ONE**  
Place Original ChairKap over the top of the headrest and chair, ensuring it is secured around the headrest and the entire chair is covered. Tuck the ChairKap securely into the chair back crease where the chair back meets the seat.

**STEP TWO**  
The Original ChairKap is reusable. Wash on a delicate cycle and air dry. Made in the U.S.A. from 90% coated nylon and 10% polyurethane. Water resistant and environmentally friendly.

**"AS A TWO-TIME HEART SURGERY AND CANCER SURVIVOR, I AM SEVERELY IMMUNOCOMPROMISED. FACED WITH SO MUCH UNCERTAINTY AND CHAOS, I SOUGHT A SOLUTION TO EASE MY FEARS."**

I felt overwhelmed by the prospect of traveling. The idea of being at an airport, sitting on an airplane, or even dining in public seemed unbearable. I wanted something portable and practical to take with me to help ease my anxiety and worries. The original ChairKap was born!

The original ChairKap provides you with an extra sense of security and peace of mind. It's compact, light, easy to carry, and most importantly - easy to wash and re-use. The original ChairKap is proudly made in the U.S.A. and it is made of 90% coated nylon and 10% polyurethane. Water resistant and environmentally friendly.
